Welcome to our very first catalog! We're thrilled with the opportunity to share our art with you. We're sure that you'll find our designs a little bit different – in a good way. But before you turn that page, we'd like to introduce ourselves.

As a mother-daughter team, we've turned the creative process into a joint endeavor. Our designs have the benefit of two generations. We continually explore ways to expand upon our creativity and share our newest treasures with others. My mother and I have always made a great team. Ann Radcliff Designs evolved from one of these "ideas". What started as a simple baby shower gift has quickly evolved to a line of adorable products.

Please take a few minutes to explore our catalog and enjoy our creations! Since it would be impossible to include all of our creations in one catalog, think of Ann Radcliff as a custom clothing designer that adds a touch of spice to your boutique. If you like our style and would like to chat, please email us any time at [contactus@annradcliff.com](mailto:contactus@annradcliff.com).

Sincerely,

Julie and Marsha

# Custom Monogrammed Onesies

Our first product!

From A to Z, Ann Radcliff Monogrammed Onesies are available in a **variety of garment colors** – currently in **baby blue, pink, white, grass green, yellow, and brown**. Fabric accents will also be chosen to match your taste (we like polka dots, but you don't have to). All onesies can be created in **long or short sleeves**.

Our products are always made with the highest quality **American Apparel** garments which will look beautiful even after many washings. We can even create our onesies with **organic cotton**.

Adorable and durable!

# Fun Phrase Onesies

Add a touch of flair to your product line! Ann Radcliff Fun Phrase Onesies are cute and unique.

Like our monogrammed onesies, we are able to **custom** create any of our designs in **short or long sleeve** in a **variety of colors**.

We're **flexible** with our designs – just ask!

*"Small Fry", "Oh Baby", "Rock Star",  
"Chick Magnet", "Go Green", "Sweet Pea"*

# Wrap-Around Onesies

For your **creative customers**, may we suggest the Ann Radcliff Wrap-Around Onesies. Featuring two-sided designs, these onesies promise to be an eye-catching addition to your boutique. Why limit the fun to only half of a onesie?

# Cute Design Onesies

Why do you never see a pink flamingo on a onesie? Or Dad's tie? We couldn't figure it out either. We should call our designs "Everything you've ever wanted on a onesie but were afraid to ask." Have a better idea – let us know. We'd be happy to customize onesies for your boutique! See more designs at [www.annradcliff.etsy.com](http://www.annradcliff.etsy.com) and [www.annradcliff.com](http://www.annradcliff.com)!

# Adorable Gift Sets

*Very Hungry Caterpillar  
Gift Set*

*Sock Monkey  
Gift Set*

*Puppy Dog  
Gift Set*

Why should coordinating gift sets only match on color? Our gift sets can include coordinating baby hats, onesies, bibs, blankets, pacifier clips, and shoes. From monkeys to dogs to cars to hearts, we'll design a gift set to excite your customers.

# Handmade Accessories

*Handmade Bibs*

*Handmade Baby Totes*

As we mentioned earlier, our onesies and hats are made from high-quality American Apparel garments. With our bibs and baby totes, they are **completely handmade**. Just fabric, thread, Velcro, and a potentially a few sequins (we always like a touch of sparkle).

Of course, Ann Radcliff Designs will customize any of our designs to meet your needs. Would you simply love a bright orange diaper bag with green polka dots? No problem!
